EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

N.B .- The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The amount of duty on adhesive stamps is impressed on two parts. Board of Inland Revenue recommend that the cancellation should be on one of the parts, and

the other left legible.

If a Foreign Bill payable abroad, and as to which the provision "drawn in sets of three or more" apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill, and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue (see North British Daily Mail, 3d November But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same amount,that is, if one of the parts have the full duty, the others may be unstamped (see Times, 6th November 1854). The schedule of the act does not provide for such a Bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom, 17 & 18 Vict. c. 83, A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set, and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty £100. person taking such bill must get the whole set, stamped, otherwise he cannot recover on it or make it available, ib. § 6. This applies only to bills drawn within and payable out of the United Kingdom.

order.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, weekly, monthly, or at any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee. or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

Promissory Note for the payment of any sum of money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

PROXY to vote in joint-stock company whose shares are transferable _______2s. 6d.

RECEIPTS for money amounting to £2 or upwards,-1d.

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III. c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being any thing formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are— Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.

Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.

The exemption of letters by the general post acknowledging the safe arrival of any bills of exchange, promissory notes or other securities for money is repealed by 17 & 18 Vict. cap. 83, § 13.

Note.—Stamps may be impressed or affixed. Whereadhesive stamps are affixed, the granter is required to cancel the stamps by writing his name or initials on them. Penalty for omission, —£10. Penalty for removing adhesive stamps, or using them a second time, or doing any

SETTLEMENT .- Any deed or instrument, whether voluntary or gratuitous, or upon any consideration other than a bona fide pecuniary con-sideration, whereby any definite and certain principal sum or sums of money, or any definite and certain shares in any stocks or funds, shall be settled or agreed to be settled upon or for the benefit of any person or persons, either in possession or reversion, either absolutely, or for life or other partial interest, or in any other manner whatsoever,-if such sum or sums, or the value of such share or shares, together, shall

not exceed in the whole £100,-5s.

And if the same shall exceed £100, then for every £100, and fractional part of £100,-5s.

All such deeds which contain any settlement of lands or other property, or any other thing besides the settlement of such money or stock, shall be chargeable with such further duty as any separate deed containing such settlement of lands or other property, or other thing, would have been chargeable with, exclusive of the progressive duty.

And where there is more than one such deed chargeable with any such duty exceeding £1, 15s., one of them only shall be charged with the ad valorem duty; and also where any settlement shall be made in pursuance of any previous articles chargeable with and which shall have paid any such duty exceeding £1, 15s.,

it is not chargeable with the ad valorem duty; and the deeds not chargeable with the ad valorem duty shall be charged with the duty to which they are liable under any more general description in the stamp schedules; and on the whole being produced, duly executed and stamped, the latter shall also be stamped with a particular stamp for denoting the payment of the said ad valorem duty.

GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,
THE RIGHT HONOURABLE VISCOUNT CANNING.
SECRETARY—FRANCIS ABBOTT, ESQ.

INLAND POSTAGE AND GENERAL REGULATIONS.

The RATES OF POSTAGE ON LETTERS prepaid are:

Under half an ounce, . . . 1d.
Above half and under an ounce, . 2d.
Above an ounce and under two ounces, 4d.

And so on, two rates being added for each additional ounce.

On Letters unpaid double the above rates is charged. Letters exceeding jour ounces in weight

a, not forwarded until the postage be paid.

Addresses to Her Majesty, and Petitions to Parliament under thirty-two ounces, open at the ends, pass free.—Books and Parliamentary Proceedings at reduced rates, explained under their respective heads,—the only exceptions to the above rates.

Adhesive Stamps and Envelopes.

Prepayment of Letters in money is now prohibited.

The Stamps should be placed on the front of the Letter, at the right hand corner; and care should be taken that they firmly adhere. The better method is to wet the Letter, not the Stamp. Any Postmaster, Sub-postmaster, or Letter-Receiver, will supply the Public with Postage Stamps or Envelopes at the following Prices:—

The Penny Label Stamps at 1d. each.
The Twopenny ditto . 2d.
Sixpenny ditto . 6d.

Tenpenny ditto . . . 10d. Shilling ditto . . . 1s. Envelopes, 24 for 2s. 3d., or 2 for 2\frac{1}{4}.

Redirected Letters.

Redirected Letters (except those redirected in the Post Office to an address in the same Post Town, or to a Subordinate Office under that Town), are subject to additional rates of Postage; but whether originally prepaid or not, they are only liable to be charged at the prepaid rate for the additional postage.

Overcharges, Delays, &c.

In cases of complaint, whether arising from overcharges, delays, or other irregularities, the covers (and contents in all practical cases) should be forwarded to the Secretary, General Post-Office, for investigation, as affording the only efficient means of answering such complaints satisfactorily. Overcharges are returned between the hours of ten and four, at the Window Office.

Letters not to be Delivered Back.

To prevent the possibility of Letters being surreptitiously obtained from the offices where put in, office-keepers are strictly forbid returning, to any person whomsoever, Letters that may be applied for, under whatever circumstances their recovery may be urged.

Illegal Conveyance of Letters.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The Sender also incurs a penalty of £5 for every offence, with full Costs of Suit.

Articles which may Not be Sent by Post.

Letters or Packets cannot be forwarded by the Post-Office containing any of the following enclosures, viz.:—any Glass, Razor, Scissors, Knife, Fork, or other sharp or pointed instrument; any Leeches, Game, Fish, Flesh, Fruit, Vegetable, or other perishable substance; any Bladder, or other vessel containing liquid; or any article, matter, or thing whatsoever, which might, by pressure or otherwise, be rendered injurious to the officers of the Post-Office, or to the contents of the Mail-bags; and the Act 3 and 4 Victoria, cap. 96, expressly declares that no Letter shall be sent

by Post containing any explosive or other dangerous material or substance. No Letter or Packet exceeding in breath, or length, or depth, twenty-four inches measurement, can be forwarded by Post.

Registered Letters.

The system of Registration provides a secure mode of transmitting Bank Notes, Bank Post Bills, Drafts, &c. &c. The arrangements have been made with the view of insuring the punctual delivery of Letters of Value. On their delivery, the parties to whom they have been addressed will be required to acknowledge in writing their receipt. Letters offered for Registration should have the full amount of Postage and Registration fee of sixpence affixed thereon in Stamps.

Registered Letters will be taken at the General Post-Office, at the Receiving-Houses, and by all Postmasters throughout the United Kingdom, until within half an hour of the closing of the Box

for the particular Mail or Bag by which they are to be despatched.

An acknowledgment by receipt will be given to the parties registering Letters, and each receipt

must bear the Office stamp.

The practice of committing Letters containing valuable property to the Post-Office unregistered should in all cases be avoided. It is expected that persons having occasion to transmit such Letters will avail themselves of the proper means of security, and in no case, by committing property unregistered to the Letter-boxes, RISK HIS LOSS. If, however, notes are sent, parties are recommended to cut them in halves, and the second half should not be despatched until the receipt of the first has been acknowledged. The numbers, dates, and amount should also be carefully taken.

Books, Maps, Prints, &c., under Certain Regulations, Forwarded at a Reduced Rate.

A Book Packet may contain any number of separate Books, Maps, or Prints, and any quantity of Paper, Vellum, or Parchment (to the exclusion of Letters, whether sealed or open); and the Books, Maps, Paper, &c., may be either printed, written, or plain, or any mixture of the three.

Further, all legitimate Binding, Mounting, or covering of the same, or of a portion thereof, will be allowed, whether such Binding, &c., be loose or attached; as also Rollers, in the case of Prints; Markers (whether of Paper or otherwise), in the case of Books—and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.

The following are the remaining Regulations respecting the Inland Book Post-all previous no-

tices regarding it being cancelled.

Rates of Book Postage.

For each Packet not exceeding One Pound in weight 0s. 6d.

"exceeding One Pound and not exceeding Two Pounds". 1s. 0d.

"exceeding Two Pounds and not exceeding Three Pounds". 1s. 6d.

And so on, 6d, being charged for every complete Pound, and for any additional fraction of a Pound.

Every Packet must be sent either without a Cover, or in a Cover open at the ends or sides.

It must not contain any Letter, open or sealed, nor any sealed enclosure whatever.

No Packet must exceed two feet in length.

The Book Post, to which the foregoing rules relate, does not affect the privileges allowed to

Votes and Proceedings in Parliament, or to Newspapers.

Postmasters are instructed to open and examine Book-Packets, to see that the conditions on which they are allowed are all complied with; and if he find any Letter, whether sealed or open, or sealed enclosure of any kind, such Letter or enclosure is to be taken out and forwarded to the Address on the Packet, charged with full Postage as an unpaid Letter, together with an additional Rate of Sixpence as a Fine. If a Book Packet be not sufficiently prepaid, but, nevertheless, bear stamps of the value of Sixpence, it will be charged with the deficient Book Postage, and Sixpence additional.

To prevent obstacles to the regular transmission of Letters, any Officer of the Post-Office may, when necessary, delay forwarding a Book-Packet for a period not exceeding twenty-four hours

beyond the time at which it would otherwise be forwarded.

Newspapers, and Supplements to Newspapers.

It is not compulsory to send Newspapers or their Supplements by Post; but those that are intended to be so transmitted must be sent in covers open at the sides; and no words of communication may be printed or written on such papers (except under the conditions hereafter explained) after the same shall have been published, when they are entitled to pass free.

Parties will be allowed, however, to put any Writing or Marks on Newspapers passing by Post,

in the United Kingdom, provided that a Postage of a Penny be prepaid, BY MEANS OF A STAMP conspicuously affixed outside the Cover or folded Newspaper, it being understood that in those cases where the Newspaper may be liable to Postage, irrespective of such Writings or Marks (as when it is both posted and delivered in the same town), the Penny Stamp shall cover both the Writing and Postage. But this privilege is to be confined to Writing or Marks on the Newspaper itself, and not to extend to the Cover, which must contain nothing but the address.

Any Writing or Marks on the Cover, besides the address, or on the Newspaper (if not prepaid

as above) will subject it to the same rate as that of an unpaid Letter, according to weight.

Newspapers pass free by the Edinburgh Local Posts, except in those cases where they shall be posted and delivered within the limits of the General Post delivery (which now includes Leith), when the Postage is one penny on each Newspaper.

PRICES CURRENT and COMMERCIAL LISTS published in the United Kingdom, if duly stamped, and under the weight of two ounces, will be treated as Newspapers, and enjoy the Newspaper privileges.

the sanction of the Postmaster-General having been previously obtained.

** As the mere affixing a Newspaper Stamp on any new periodical publication will not entitle it, as a matter of course, to pass free by the Post, those who may be about to publish, for the first time, any such paper, should submit a copy to the Postmaster-General, in order that it may be determined whether the Publication is of a nature that will entitle it to pass free of postage.

In conformity with the Stamp Duties Act, 1853, a Newspaper printed on one sheet of paper, and its measurement, exclusive of margin, not exceeding 2295 inches, is chargeable One Penny Stamp Duty. A Supplement may be published with any stamped Newspaper, free of duty, if printed on one sheet of paper, and together with the Newspaper, within the above measurement. Any other Supplement, chargeable One Half-penny Stamp Duty, provided it does not exceed 1148 inches. And any two Supplements issued with any duly Stamped Newspaper, printed each on one sheet of paper, and containing together a superficies of not more than 2295 inches, are chargeable One Half-penny each Stamp Duty.

In all the cases, the measurement is exclusive of margin.

Newspapers published in the Channel Islands and the Isle of Man, are now excluded from the Newspaper privileges, except such as may be printed in the French language.

Printed Votes and proceedings of Parliament.

Printed Votes and Proceedings of Parliament, or of the Colonial Legislatures, are charged-

Above four and under eight ounces, . 2d.

Above eight and under twelve ounces . 3d., and so on.

The Postmaster-General is authorised (if he shall see fit) to delay the transmission of Printed Votes and Proceedings in Parliament for any space not exceeding Twenty-four hours from the time at which the same would otherwise have been forwarded.

Stamped Publications.

Stamped Publications, not being Newspapers, but having the authority of the Postmaster-General to pass as such by Post, are restricted to the weight of 3 oz., and must be so folded as to expose to view the newspaper stamp.

Parliamentary Notices.

These Notices may be sent through the Post, provided they are posted on or before the 12th of December, at the Chief Offices of London, Edinburgh, or Dublin, or at any of the following Offices:

—Birmingham, Bristol, Exeter, Lincoln, Liverpool, Leeds, Manchester, Newcastle-on-Tyne, Norwich, Shrewsbury, Aberdeen, Glasgow, Inverness, Athlone, Belfast, and Cork. The words, "Par-"liamentary Notice" must be legibly printed on the face of the Letter; and in order to secure the speedy return of any Notices which may be undelivered, the name and address of the Solicitor issuing such Notices, should also be on it. The postage must be pre-paid, as well as a Registration Fee of 6d. in Stamps. The Notices must be delivered at the Window of the Post-Office along with Duplicate Lists of the Addresses; the Letters being arranged in the same order as on these Lists, and if they correspond with the Addresses, the Clerk in attendance will sign every sheet of each List, and stamp it with the Day-Stamp then in use, returning one of the Lists to the party who delivered the Notices, and forwarding the Duplicate to the Secretary, General Post-Office, London. Parties should arrange previously with the Post-Office as to a suitable time for posting.

Those Parliamentary Notices, which, by the standing orders of either House of Parliament, may be served later than the 15th day of December, may be posted after the 12th December, subject, however, to the like regulations in every respect, as required for those to be served on or

before the 15th December.

FOREIGN AND COLONIAL LETTERS & NEWSPAPERS.

General Regulations.

The pre-payment of Postage is optional to many parts abroad, Foreign as well as Colonial. For information on this point, and rates of Postage, reference may be made to the list of Foreign

Places, commencing at page 378.

Letters for the Colonies and Foreign Countries posted unpaid, although specially addressed to be forwarded by routes which require the Postage to be paid in advance, will not, if there are any means of transmitting them, be opened and returned to the writers for payment of such postage, but will be despatched, if possible, by other routes unpaid.

Ship Letters.

Letters intended to be conveyed by "private ship" must be so addressed. For rates of Postage see Table at page 378, &c.

Persons Exempt from Ship Letter Postage.

The owners, charterers, and consignees, resident in the United Kingdom, and owners, consignees, and shippers of goods on board vessels inward bound, are entitled to receive their letters free from sea postage (the inland postage only being chargeable) to the extent of 6 oz. collectively, by any one vessel to any such person. In the case of vessels coming from Ceylon, Mauritius, the East Indies, or the Cape of Good Hope, for an owner, charterer, or consignee of such vessel, the letters may collectively be 20 oz. in weight. The owner, charterer, or consignee, must be described as such on the address or superscription; and, in the case of owner, consignees, or shippers of goods, it must also appear by the ship's manifest that they have goods on board the vessel. Such persons are entitled to have their letters which come within the above conditions, before the master of the vessel delivers the other letters in his charge to the Post-Office.

** Any person who shall, with intent to evade any duty of postage, falsely superscribe a letter as being the owner, charterer, or consignee of a vessel conveying the same, or as the owner, ship-

per, or consignee of goods shipped in such vessel, shall, for every offence, forfeit £10.

Letters not to be Sealed with Wax when sent to Warm Climates.

The practice of sealing letters which pass to and from the East Indies, and other warm climates, with wax, leads to much inconvenience, from the melting of the wax, and the letters adhering to each other. The public, therefore, are recommended to use wafers instead of wax, and to advise their correspondents to do the same.

Adhesive Stamps.

Stamps may be used to pay Foreign or Colonial Letters outwards, but care must be taken that, by the addition of such stamps, the letters do not exceed the weight intended to be paid for. In those cases in which the value of the stamps on the letter is less than the amount of postage chargeable, they will, if prepayment is not compulsory, be forwarded charged with the difference. In cases where the prepayment is compulsory, they will be sent to the Dead Letter Office, and opened and returned to the writers for the proper postage. These regulations will be applicable to newspapers in those cases where they are liable to postage.

Newspapers and Prices Current to the Colonies and Foreign Countries.

Newspapers and Prices Current, duly stamped and authorised, provided the regulations are complied with, and they are posted within seven days of their publication, may be forwarded to the Colonies and to foreign countries, by Post-Office packets or private ships. To the British Colonies they are forwarded free, except in cases where the conveyance is by private ship, as also to many foreign countries, which will be found in the Lists. But to all places to which newspapers are not sent free, the postage on them must be paid in advance.

The undermentioned printed PRICES CURRENT having obtained the sanction of the Lords of the Treasury, pass through the Post-Office to the Colonies and foreign countries at one penny each, provided they contain simply the names and prices of articles. The names and addresses of the parties dealing in such articles must be excluded:—

The title of the publication must be written or printed immediately above the address; and any other writing than such address, name, initial, or mark for reference of any kind, calculated to convey information as to the party by whom such publication is forwarded, will subject the same to full letter rates of postage.

Prices Current cannot be forwarded a second time without being charged full letter postage.

Prices Current from any colony or place abroad by private ship are charged the same rate as newspapers. Prices Current from any British colony by packet, direct to any place in the United Kingdom, one penny each.

Prices Current from any foreign country by packet (except France, Belgium, Holland, and

China), direct to the United Kingdom, twopence each.

Prices Current from whatever part (except China) received by way of France, Belgium, Holland,

or Hamburg, twopence each.

Newspapers posted out of date, written on, or in any way marked for reference, or containing anything contrary to the Act, or without being prepaid, will, if there be no means of forwarding them as unpaid letters, be sent to the Dead Letter Office. When they can be forwarded, those out of date, or not prepaid as required, will be charged with the ordinary letter postage.

Newspapers posted in France contrary to the established regulations of that country, are transmitted to this country as letters. British newspapers re-posted in France for England are charged

with the British frontier postage of 5d. per half ounce.

Prints published with newspapers, and duly stamped, may be sent by post separately as a newspaper; but those bearing the supplement stamp of ½d. only, must be sent with the paper it belongs to, and be under the weight of two ounces.

Periodicals posted without previous payment will be forwarded as unpaid letters, and no single pamphlet or work unnumbered, and without reference to its continuance at any other time or

period, can be considered or taken to be a periodical.

PAMPHLETS, although not published periodically, may be forwarded to the United States at the same rates as above, when not exceeding eight ounces.

Stamped Publications.

Stamped Publications, other than Newspapers, must not exceed three oz. in weight, and are subject to the same regulations as Newspapers with regard to date, when intended for abroad.

Printed Votes and Proceedings of the Imperial Parliament, and of the Colonial Legislature.

Whether paid or unpaid, pass at the same rates to certain Colonies, by packet, as between places in the United Kingdom. Where there are no packets, they may be forwarded by private ships at double these rates. They are not, however, forwarded to places through France under the full rates of letter postage. The following are the rates chargeable :-

Under 4 oz., 1d.

Above 4 oz. and under 8 oz., 2d.

Above 8 oz. and under 12 oz., 3d.—and so on.
To the British colonies and possessions in West Indies, Canada, Hong Kong, Ceylon, Malta, and Gibraltar, the rates chargeable on Votes and Proceedings are the same as printed books.

Books sent at Reduced Rates to certain Colonies.

The regulations for the Colonial Book Post are, in most respects, similar to the Inland Book Post, viz. :

1st, A book packet may contain any number of separate books, maps, prints, paper, &c. (to the exclusion of letters sealed or open), and its contents may be either printed or written

2d, The packet must not exceed two feet either way.

3d, The name and address of the sender may be given on the cover.

Registered Letters, Foreign, Colonial, and Ship.

In the case of foreign, colonial, or ship registered letters, it must be clearly understood that registration cannot extend beyond the port of despatch in the United Kingdom; and the office does not engage for the security of any registered foreign, colonial, or ship letter longer than while the contents of the mail shall be in the custody of the British Post-Office. Letters, however, addressed to France, and letters passing through France, are exceptions to this rule, the French Post-Office undertaking to provide for their security till they shall have been delivered, if addressed to France, and so long as they remain in the French territory, if passing through France. All registered letters to and from France, and countries passing through France, must be paid in advance, and are subject to double the rates chargeable for ordinary letters.

Registered letters for Prussia, or to foreign countries through Prussia, must be prepaid the full postage (British and Foreign) as well as the British registration fee of sixpence, and a further charge of threepence on each registered letter, whatever may be its weight, on account of the Prussian registration fees. It is hoped that the public will take the precaution to register all

letters of value.

Redirected Letters.

Redirected letters between France, Belgium, and Holland, and countries the correspondence of which passes through France, Belgium, and Holland, and the United Kingdom, are returned charged with the same amount of postage that should have been paid by the receivers. originating in the United Kingdom, redirected from France, Belgium, or Holland, are returned under the same conditions, and are liable to a further charge of British postage-viz., 5d. from Calais, and 8d, from Holland.

Redirected Newspapers.

Newspapers originating in the United Kingdom, addressed to parties in France, Belgium, and Holland, who have returned, may be redirected (on the original covers) to them, and are liable to

the first charge only.

Newspapers from the colonies and foreign countries, for persons who may have removed, may be redirected to them at any place within the United Kingdom free of postage, provided they have not been opened at the place to which they were originally addressed. But a newspaper which has been opened is charged at the same rate as if it were a letter from the place of redirection to the place at which it may be ultimately delivered. Newspapers upon which any colonial or foreign postage may be due when redirected, shall be delivered at any place within the United Kingdom for the same amount of postage that would have been chargeable had they been delivered at their Newspapers from one foreign country or colony to another, in transit through, and addressed to the care of a person in, the United Kingdom, may be redirected forward without extra charge, provided they have not been out of the custody of the Post-Office; but such newspapers cannot be reposted without incurring the charge of letter postage.

Non-Commissioned Officers, Seamen, and Soldiers in Her Majesty's Service Abroad.

Letters to seamen and soldiers are forwarded by post at the rate of one penny each, under the following regulations:---

1st, The penny must be paid at the time the letter is put into the Post-Office.
2d, The direction must signify the class of seaman or soldier.

3d, The name of the ship, regiment, or corps, to which he belongs.

4th, The letter must not exceed half an ounce, and be upon their private concerns only. Letters for seamen or soldiers, whether in her Majesty's or the East India Company's military or naval service (while on actual service), may be forwarded, under the foregoing regulations, to India, China, &c., via Southampton. They can now be sent to India, via Marseilles, on payment of the British rate of 1d., besides the French rate of 5d., if under a quarter of an ounce, or 10d. exceeding that weight, or to any foreign country, on payment of the foreign rate of postage in addition to the British rate of 1d., as above.

Letters for seamen and soldiers forwarded by private ships (with the following exceptions :- St Helena, East Indies, New South Wales, Cape of Good Hope, and Mauritius) are

charged 3d. each.

Letters of soldiers and seamen, addressed to the United States of America, will in future be chargeable with the American rate of five cents, or twopence-halfpenny sterling each, in addition to the ordinary British rate of one penny; the postage of all such letters must be prepaid.

Warrant officers, either in the army or navy, or masters' mates, or engineers of the navy, are not entitled to transmit letters at less than the usual rates of postage.

Seamen's or soldiers' letters received from any part heyond sea, upon which the said penny

has not been prepaid, shall be charged to the receiver with double the rate-viz. 2d. each.

Redirected Letters for Officers, Soldiers, and Seamen.

Letters redirected to commissioned officers in the army or navy, subject to foreign or colonial postage, may be forwarded to such officers when removed upon service (whether at home or abroad). and be delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. In all other cases they are subject to the same regulation as ordinary redirected letters. Soldiers' and seamen's letters are not liable to any additional rate upon redirection.

The following are the special regulations with regard to letters and newspapers to the British forces serving in Turkey and in the Baltic :-

Letters, &c. for the British Forces in Turkey and the Black Sea.

GENERAL POST OFFICE, June 1854.

The French Government having liberally offered to place the British forces in Turkey and the Black Sea upon the same advantageous footing with the French forces in respect to correspondence conveyed by French Mediterranean packets, and her Majesty's Government having accepted this offer, Closed Mails will hereafter be sent to the British forces in Turkey by the route of France; and all Letters and Newspapers upon which the requisite amount of postage has been prepaid will be sent in these Mails, unless otherwise addressed.

Upon the correspondence so conveyed the following combined British and French rates of

postage must be paid in advance, viz. :-

Weighing under Quarter of an ounce

For a letter addressed to an Officer in the British Army or Navy, or to a Non-Commissioned Officer, Private Soldier, or Seaman in Turkey or the Black Sea-

TOTAL BUILD CONTROL OF THE CONTROL	vs. ou.	
Weighing Quarter of an ounce, and under Half an ounce	0s. 6d.	
Exceeding Half an ounce, and not exceeding One ounce	1s. 0d.	
Exceeding One ounce, and not exceeding Two ounces .	1s. 2d.	
Exceeding Two ounces, and not exceeding Three ounces	1s. 4d.	
Exceeding Three ounces, and under Three and a-half ounces	1s. 6d.	

Exceeding Three and a-half ounces, and not exceeding Four

and so on, adding 2d. British for each additional ounce, and 10d. French postage for every three and a-half ounces.

Newspapers will be liable to a postage of 2d. each, which must also be paid in advance.

As the French mode of charging postage is by the quarter ounce, it is necessary that a Letter should be under a quarter of an ounce in weight, in order to secure the advantage of the lowest rate.

The mails are made up in Edinburgh every Sunday and Thursday evening, and supplementary

mails on the mornings of Monday and Friday.

Letters for Soldiers and Seamen serving in the British Army or Navy in Turkey or the Black Sea, may still be forwarded under the usual regulations for a postage of One Penny in the British Packets, by the route of Southampton and Malta, and thence by a vessel of war; but the opportunities for the transmission of these Letters beyond Malta are necessarily uncertain.

Letters to the Baltic Fleet.

GENERAL POST OFFICE, March 1855.

Mails for the British Fleet in the Baltic will be made up on the departure of ships of war or other vessels in the service of her Majesty.

Letters will also be sent by the route of Kiel or Dantzig in the Prussian Mails despatched

daily via Ostend.

The Lords Commissioners of her Majesty's Treasury have been pleased, by warrant, to direct that the correspondence of the Baltic Fleet shall be placed upon the same general footing as the correspondence of her Majesty's forces in the Black Sea.

The letters, therefore, of Commissioned, Non-commissioned or Warrant Officers, as well as those of Soldiers and Seamen, forwarded via Kiel or Dantzig, will be liable to a combined British

and Foreign rate of postage of

3d. when not exceeding a Quarter of an ounce.

6d. when exceeding a Quarter, and not exceeding Half an ounce.

And so on, increasing Threepence for every quarter of an ounce.

The same rate of Threepence per quarter of an ounce will be chargeable upon the letters of Commissioned or Warrant Officers, conveyed by Queen's ships or transports; but the letters of Soldiers and Seamen may be sent by those vessels at the reduced rate of One Penny, when not exceeding half an ounce in weight.

In all cases, the postage must be paid in advance, or the letters will not be forwarded.

Newspapers cannot be sent by the route of Kiel or Dantzig, because the arrangements of the Prussian and Danish Post Offices do not allow of the foreign postage to which those newspapers would be liable, being collected in the United Kingdom. They would, therefore, be detained at Kiel or Dantzig until that postage was paid.

By vessels of war, however, or transports, newspapers will be forwarded to the Baltic Fleet

without any charge.

Money Order Office.

Money Orders are issued and paid at the General Post-Office, Edinburgh, between the hours of 10 and 4.

The Commission chargeable for Money Orders is threepence on sums not exceeding £2; and on sums above £2, and not exceeding £5, sixpence. No Order will be given for sums

beyond this amount.

The Money Order Office, and the system of Registration, have been devised expressly for the security of Money and other valuable property transmitted through the Post Office. With the great convenience thus afforded for transmitting small sums at so low a charge, and the power given of Registering Letters containing value, it is hoped the Public will no longer forward letters of value except in one or other of these methods.

In all cases where personal attendance is inconvenient, if the Money Order is receipted by the person to whom it is made payable, and the party presenting it for payment can afford full information as to the Christian name, surname, address, and occupation of the person who originally obtained the Order, payment will be made; but unless these conditions are strictly complied with, it will be refused. Any Money Order presented through a bank, will be paid, without the name of the remitter and the signature in full of the Christian name of the payer being insisted upon as a condition of payment, provided that the bank be situated in the town on which the Money Order is drawn, that the Order be crossed with the banker's name, and the party applying at the Money Order Office be known there as in the employment of the bank. It must be understood, however, that in all such cases the liability of the Post-Office will absolutely terminate with the Payment of the Order so pre-

With a view to simplicity and economy in the accounts of the Money Order Office, it has

been found necessary to lay down the following rules:-

1. Every Money Order issued on or after the 6th October 1848, must be presented for payment before the end of the second calendar month after that in which it was issued (for instance, if issued in October, it must be presented for payment before the end of December,) otherwise a new Order will be necessary, for which a second commission must be paid.

2. If an Order be not presented for payment before the end of the twelfth month after that in which it was issued (for instance, if issued in October, and not presented before the

end of next October), the money will not be paid at all.

3. As, after once paying a Money Order, by whomsoever presented, the Office will not be liable to any further claim, the public are strictly cautioned-

a. To take all means to prevent the loss of the Money Order.

b. Never to send a Money Order in the same letter with the information required on payment thereof.

c. To be careful, on taking out a Money Order, to state correctly the Christian name as well as the surname of the person in whose favour it is to be drawn.

d. To see that the name, address, and occupation, of the person taking out the Money

Order, are correctly known to the person in whose favour it is to be drawn. 4. Neglect of these instructions will lead to delay and trouble in obtaining payment, and even risk the loss of the money.

These intructions, together with some others of minor importance, will be found printed

on every Money Order.

See pages 398 to 415 for places in Scotland, England and Wales, and Ireland, upon which alone Money Orders can be drawn, and at which they can be issued. A Money Order intended for a person residing at a place in which there is no Money Order Office, should be drawn upon the Post-Town nearest to it which may have a Money Order Office.

FARES.

9. (I.) FARES BY DISTANCE.

1st, The distance to which any Hackney Carriage may be driven under these Bye-Laws.

shall be seven miles from the Cross of Edinburgh.

2d, When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a Carriage at a Stance, or when driving along disengaged, they shall be driven half a mile for 6d., and if they return they shall pay another 6d.

Note.—No measurement of this distance is given in the Tables, but the Public and Drivers may easily compute it, from knowing that it is half a mile from the Register Office to the following places, viz., South Castle Street, West End of Regent Terrace. Surgeons' Hall, Nicolson Street, and Gayfield Place, Leith Walk.

3d, Excepting the Sixpenny Fare, the Fares by distance shall be as shewn in the annexed Table of Fares. The charges in the Table shall include going from the nearest Stance to the Hirer's residence and waiting ten minutes. But if the Carriage be detained before starting more than ten minutes, a charge of waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the Hirer is to be lifted be beyond the nearest Stance, or above half a mile from the Stance, whence the Carriage is taken, there shall be a charge of 6d. extra.

4th, When any Place is not mentioned in the Table, the Fare shall be the same as that to

any place mentioned which may be in the immediate vicinity.

5th, When the Fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the Fare shall be 1s. for a distance from the Stance not exceeding a mile and a half, and 6d. for every additional half mile, or part thereof, calculating the distance in the case of the Centre Stance from George Street Assembly Rooms.

6th, Half Fare returning.

7th, When parties return (which they shall have the option of doing), and the Fare going is 1s., the Carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the Carriage be detained longer, a charge will be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the free waiting expires.

8th, When a Carriage is called but not used, a charge of 6d. shall be allowed, if the place to

which it is called be under half a mile from the Stance, and a Shilling if beyond that.—

Waiting as in section seventh.

(II.) FARES BY TIME.

It shall be in the option of the Hirer to employ a Carriage within the bounds of Police by time, for bona fide Shopping, Making Calis, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half hour, and 6d. for every ad-

ditional quarter of an hour.

For an Airing into the Country within five miles from the General Post-Office, and returning either by the same or a different road, the rate shall be Sixpence for every ten minutes. A drive round the Queen's Drive to be considered an Airing. Unless the Hirer wishes a slower rate, the rate of driving when out an Airing shall be at least six miles an hour. If the Airing go beyond five miles, the duty to be paid in addition.

(III.) WHETHER THE FARES ARE BY DISTANCE OR BY TIME,-

1st, The Hirer pays Tolls.
2d, If there be more than four grown persons driven, a charge of 6d. extra shall be made for each additional grown person, and a charge of 6d. for each two children above six years of age. No additional charge for one child above six or children under six.

3d, For Luggage exceeding 70 lbs. in weight there shall be a charge of 6d, extra. But there shall be no charge for Luggage under that weight. The Driver shall assist in loading and unloading in all cases when required.

4th, From Eleven at Night till Eight Morning, Fare and a half.
5th, The above Fares for One-Horse Carriages. The Fares for Two-Horse Carriages shall

be one-third more.

6th, Owners or Drivers may agree to drive at lower Fares than those fixed. In that case, should they demand more than the Fare agreed on, they shall be liable as for an overcharge.

(IV.) FARES MAY BE WITHHELD.

Any Party shall be entitled to withhold payment of the Fare,-

1st, When the Name and Number are not painted outside, or when there is no card or plate inside, in terms of Article Second of these Bye-Laws.

2d, When the Reference-Ticket is not offered on entrance.

3d, When the Bye-Laws, Table of Fares, and Driver's Licence are not shewn on demand;

4th, When an overcharge is made.

PROPERTY LEFT.

10. All Property left in Carriages shall be immediately returned to the owner if known, or if not known, shall within 24 hours be delivered to the Depute City Clerk at the Council Chambers, and the Driver shall be rewarded in such cases as the Magistrates may direct.

REDRESS.

11. Parties contravening these Bye-Laws are liable for each contravention in a penalty not exceeding Forty Shillings, or to withdrawal or suspension of the Licences, in a prosecution before the Magistrates; and Parties aggrieved will obtain Redress on application to the Procurator-Fiscal at the City Chambers, within eight days after the date of the offence.

Note.—Attention is specially directed to the 237th Section of the Police Act, which imposes a Penalty not exceeding 10s. on any person who refuses to pay the Regular Fare on demand.

THE COLONIAL LIFE ASSURANCE COMPANY

Was established in 1846, for the purpose of extending to the Colonies of Great Britain, and to India, the full benefit of Life Assurance; and for the purpose of giving increased facilities to persons visiting or residing in foreign countries.

The general management of the Company is under the direction of persons who have been long practically acquainted with, and connected with the working of Life Assurance institutions; and it has been the study of the Directors to afford all those advantages to their Policy-holders abroad which are commanded by Assurers in this country.

For the purpose of giving increased facilities, also, in the Company's transactions, the Directors have formed Local Boards of Management, and Branch Offices, in the different Colonies, where Assur-

ances may be effected and Premiums paid.

1. There is an Annual Investigation into the affairs of the Company, and an Annual Division of Profits.

2. The Assured are entitled to participate in the Profits immediately from the commencement of their Assurance.

3. The Assured are allowed the alternative course of having their share of the Profits added to the sums in their Policies, or of having the value thereof annually returned to them in cash.

Particular attention is invited to the above Bonus System. By the alternative which is offered, the amount of the Assurance may either be rapidly increased by large Annual additions, or the Premium may each year be very greatly reduced.

- III. AT THE END OF FIVE YEARS from the date of a Policy, liberty to reside in any quarter of the world without payment of Extra Premium, on the Assured shewing, at taking out the Policy, that they have no prospect then of going abroad, and provided they do not proceed thereto at any time within the above period of five years from the date of Policy.
- IV. AT THE END OF FIVE YEARS from their date, the Company's Policies (provided satisfactory evidence of age has been produced), are indisputable on any ground whatever, so that the Policy will not be vitiated by any error or mis-statement in the declaration by the Assured, and the sum in the Policy will be paid without reference to the place where, or the circumstances under which, the Assured may have died.
- V. When a Policy falls, by non-payment of the Premium, from oversight or other cause, no advantage is taken thereof to deprive the holder of the Policy of its full surrender value; and special notice is given that the same will be paid on application within Three Months. THE BONUS YEAR.

The FIFTH DIVISION of PROFITS will be made at 15th November 1855, and all persons who now effect Assurances will secure a right to participate to the extent of One Year's Bonus, and obtain a larger proportional Share at future Divisions than later entrants. The Fund to be divided will be derived from the Profits which have arisen since 1850.

DIVISION OF PROFITS.

A very large portion of the Profits of this Company is allocated periodically to the Assured on the principle of a Tontine. Divisions have already taken place at four periods, viz., 1835, 1845, and 1850.

According to the Tontine principle referred to, the measure of a Policy's claim for Profits increases at each Division, so that the party who protects his family by a Life Assurance has, at the same time, the benefit of participating in the profits of the business, according to his survivorship,—that is, the length of time he continues connected with the Institution.

The following cases, taken from the Books, will tend to illustrate the system :-

On 4th March 1854, A. B. died at the age of 20, having effected an Assurance of £150 on 1st August 1853, when in perfect health. The sum assured has been paid to the representatives; and it may be observed that only One Year's Premium of £1, 4s. 8d. was paid to the Company.

On 4th October 1854, C. D. died, aged 32, having effected an Assurance on his life for £300, on 14th November 1853, when he was in excellent health. His payment to the Company was £8.

These two cases shew how complete and satisfactory such a provision is from the moment of a Policy being effected. The following cases will further illustrate the benefits of the system with reference more particularly to Participation in the Profits:—

On 13th February 1854, E. F. died, aged 64. He effected an Assurance 1828 for And there was added by the Company from the Profits,	on his life		0
Making the sum paid,		£518 14	0
On 20th March 1854, died G. H., aged 57. He effected an Assurance 1829 for And there was added by the Company from the Profits,			0 8
Making the sum paid,		£1624 16	8

Such examples could be greatly increased by quotations from the books, but the above cases are sufficient to illustrate the great benefits and advantages of the system.

Life Assurance.

THIS Institution, which combines every advantage of a Scotch and English Office, rests its claim to the support of the Public generally on the sound and equitable principles of its scheme. It combines the MUTUAL or Participating, with the PROPRIETARY or Non-Participating System of Assurance.

In the former, the Assured are entitled to the Whole of the Accumulated Profits. In the latter, they are charged the lowest Rates of Premium consistent with security to the Establishment.

During the Five Years ending 31st December 1852, New Policies were issued to the extent of £864,016; and the total amount assured during the Twelve Years since the foundation of the Institution amounts to £1,972,506.

In both branches the Policy-holders are fully protected by the large Proprietary Capital of the Company, subscribed by a numerous and influential body of Shareholders.

The remarkable success of the Institution will be evident from the result of the SECOND Division of Profits, when an Annual Reduction or Allowance of THIRTY per cent. was made on the Premiums payable during that and the four following years, or an equivalent addition made to the sum

LOANS can be effected with this Company on Policies on the Mutual Scale, which have been Five Years in existence, to the extent of the Surrender Value, on the simple deposit of the Policy, without

further security.

Fire Assurance.

Premiums of Assurance against Fire are charged at the usual moderate rates, with a Reduction of £10 per cent. on the Residences and Furniture of Clergymen of all denominations, and the Build-

ings and contents of Churches and Church Schools.

Detailed Prospectuses, the necessary Forms of Proposal, and every requisite information as to the mode of effecting Assurances, may be obtained either by letter or personal application at the Branch

LIFE INSURANCE.

THE DIRECTORS of this COMPANY have been able, at each of four successive Divisions of
Profits, after discharging all claims and expenses of every description, to make vested Bonus Additions to every existing Policy on the Profit Scheme, exceeding, in some cases, 64 per cent. of the Premiums paid.

At the last allocation, after providing for the Bonus, a large sum was carried over to increase

the Fund for future Division.

It will be kept in view that, while the Bonuses have been so considerable, the Company's Premiums are generally lower than those of most other Offices. The PROFITS are Divided ANNUALLY, and every Policy on the Participating Scheme shares

in each Division. NO CHARGE is made for the Policy Stamp, Entrance Money, or any other payment but the

Premium. Persons assuring their Lives obtain relief from Income Tax on that portion of their incomes which they devote to this purpose.

LIFE DEPARTMENT.

THE following advantages are offered by this Company :-

I. SECURITY.

It is possessed of a very large Subscribed Capital, divided among a numerous body of Proprietors, and thus the absolute security so essential to a Life Assurance Society is afforded in its most substantial form.

II. PREMIUMS.

The Rates of Premium have been calculated expressly for it, and will bear a fair comparison with those of other Companies. No Entry-Money is Charged. Parties may assure either a specific sum, payable at death, on payment of a reduced rate of Premium; or, on payment of an increased rate, they may participate in the Profit Scheme of the Company.

III. DISTRIBUTION OF PROFITS.

TWO-THIRDS of the Profits arising on the Participating Class of Policies, without being subject to any charges for Management, are divided EVERY FIVE YEARS among those entitled to participate, on the MOST EQUITABLE PRINCIPLE, viz., in the proportion each party has contributed to the Fund.

The following Table shews the Additions made to Policies of £1000 which have been in existence Seventeen complete years, from 1st August 1834:—

Age when Assured under.	Additions.	Total Sum Payable in case of Death.
30 35	£ s. d. 250 1 6 254 2 6	£ s. d. 1250 1 6 1254 2 6
40 45	259 6 11 267 11 10	1259 6 11 1267 11 10
50	281 12 7	1281 12 7

Thus averaging upwards of one and a half per cent. per annum on Policies which have been in existence from the commencement of the Profit Scheme in 1834, a period of Seventeen years.

THE NEXT DIVISION OF PROFITS TAKES PLACE IN AUGUST 1856.

The Bonus may be applied, at the option of the Assured, in any of the following ways:-

- I. It may be added to the Sum Assured; or,
- II. Applied in Reduction of Future Premiums; or
- III. Surrendered for its present Value in Cash.

Liberal Sums allowed for the Surrender of Policies after Three Premiums have been paid.

Assurances may be effected on the Increasing or Decreasing Scale of Premiums, and upon Joint Lives and Survivorships.

Assurances without Participating in the Profits on a Reduced Scale of Premiums.

FIRE DEPARTMENT.

This Company Insures almost all kinds of property against accidents arising from Fire, at rates commensurate with the risk.

The Directors can with confidence refer to the promptitude and liberality with which accidental losses are adjusted by this Institution.

Losses by Lightning to Farming Stock are paid.

Copies of Prospectus, and all other information, may be had on application at the Offices of the Company, or to any of the Company's Agents.

LIFE DEPARTMENT.

The GUARDIAN was established in 1821, upon the principle of giving to the Assured one-half of the Profits by a Septennial Division, and £700,000 of Profits have already been divided by this system.

In 1850, it obtained an Act of Parliament, empowering it to divide its Profits Quinquennially, and to give to the Assured Four-Fifths of the Profit to be derived from all Assurances effected after that date; and, at each period of Division, the Assured will have the option of receiving their respecrespective Policies, or to reduce the Premiums payable thereon.

The Company also effects Assurances on Unsound Lives at reasonable extra Premiums, and grants Licences for the Assured to reside in the East or West Indies at much reduced extra Premiums,

and it grants Loans on Life Policies to the extent of their values.

This Company refers with confidence to the fact, that the Life Claims, amounting to nearly Two Millions and a Half, have been all admitted, with the single exception of a case of acknowledged Frand, as a proof at once of the high character of its Insurers, and of the liberal manner in which the liabilities of the Company have been met.

The circumstance of the Fire and Life business being carried on in the same Premises and under

one Board of Directors, manifestly operates in favour of the Assured, by diminishing the expenses of

management on each separate branch of the business.

Persons Assured with this Company are not required to pay for Policy Stamps or Medical Fees; and, under the new Income Tax Acts, any person who may effect with this Company an Assurance on his own Life, or on the Life of his Wife, will be allowed an abatement of Income Tax on the Annual Premium paid on such Assurance.

PHE PREMIUMS at early and middle ages are about a fourth lower than in the other Mutual or Participating Offices. They are as low as the Non-Participating rates of the Proprietary Companies,—which they admit of being, not only with safety, but with ample reversion of Profits to the Policy-holders, being free from the burden of Dividends to Shareholders.

The arrangement, by which the Premiums are reduced to a rate commensurate with the risk, is obviously more suited for securing a competent family provision, in case of early death, than that which, by the same yearly outlay, secures a much smaller present sum, with the hope only of prospective and contingent additions. It will be borne in mind, moreover, that the higher immediate resurrance in this Office does not invoke the scrifting of the Mamba's interest in the Policy that the assurance in this Office does not involve the sacrifice of the Member's interest in the Profits; but that, on the contrary, there is good ground for anticipating as large eventual additions for those who live to participate, as can be given on the system of the other Offices, notwithstanding their higher rates of premium.

Age 25	30	35	40	45	50
£1 18 0	£2 1 6	£2 6 10	£2 14 9		£4 1 7

Thus a person of 30 may secure £1000 at death, for a yearly payment of £20, 15s., which, if paid to any of the other Mutual Offices, would secure a Policy for £800 only, instead of £1000.

PROFITS.

The principle on which the Profits are divided is at once safe, equitable, and favourable to good Lives—the Surplus being reserved for those Members who alone can have made Surplus Payments; in other words, for those whose Premiums, with accumulated Interest, amount to the sums in their Policies.

The practical working of the system has been that, at the First Division of Surplus, Bonus Additions were made to the Policies which had come within the Participating Class, varying from 20 to 54 per cent, on their amount.

In all points of practice—as in provision for the indefeasibility of Policies, facility of licence for travelling, or residence abroad, and of obtaining advances on the value of the Policies-the regulations of the Society, as well as the administration, are as liberal as is consistent with right principle.

Reports explanatory of the Principles, with every information, may be had on application at the Head Office, or any of the Agencies.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted to afford provisions for families. It is a purely Mutual Assurance Society. The whole Profits are allocated every Three Years amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are Assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

THE system adopted by this Institution gives to the Assured every advantage Life Assurance is capable of affording; and the success with which it has been attended, arising from its extended connexion, and the safe and liberal principles on which it is founded, is sufficiently proved by the fact that it has issued upwards of 10,000 Policies, assuring sums for upwards of Two Millions Sterling. It has an annual income of £40,000; and its accumulated capital, the property of its members, is £120,000.
Policies Issued for the year ending 20th November 1854 have been One Thousand Three

HUNDRED AND THIRTY ONE.

ADVANTAGES OF THIS OFFICE.

- 1. Entire Profits belong to the Assured.
- 2. No lawsuits-disputes, if any, settled by arbitration. Claims promptly settled.
- 3. Any sum may be assured, from £25 to £5000, payable to the Member himself on attaining any fixed age, or at once to his Representatives, in case of earlier death.
- 4. Arrears may be paid up at any time, within twelve months, upon production of certificate of health.
- 5 Policies indisputable, except for palpable fraud.
- 6. Loans advanced to Members on the security of their Policies, of Five Years' standing and upwards. The mode of procedure in such cases is easy and simple, entailing no trouble or legal expense, and many Members have already availed themselves of the privilege.
- 7. A lower rate of mortality than any other Office in Great Britain.
- 8. Liberty to travel or reside in any part of Europe, in Canada, and in the northern part of the United States, without extra charges.
- 9. No Entry-money. No Medical Fee. No Policy Stamp charged.
- 10. Parties Insuring with this Society can deduct the Annual Premiums on their own or Wives' lives from the Assessment made upon them for the Income-tax.
- N.B. -The Temperance and Public sections are kept in separate classes, and will each receive their own Profits.

LIFE DEPARTMENT.

THE system of this Company presents a combination of the most important advantages, of which the following may be enumerated.

1. Absolute security is afforded by the Funds accumulated from Premiums, with the guaran-

tee of a Large Capital.

2. The Premiums are moderate.

3. Investigations are made quinquennially, and intermediate Bonuses are allowed on participating Policies that become claims between two periods of division. The interests of the holders of such Policies are in this manner equalized as perfectly as by any system.

4. Policies, in which the age of the assured is admitted, are now issued without liability to be disputed on any ground whatever, after the lapse of five years from their date, provided only that

the ordinary premiums be regularly paid, with any extra that may be incurred.

5. No extra charge is now made for Residence, in time of peace, in any part of the world north of 38 degrees of north latitude, or south of 30 degrees of south latitude, California and the

gold regions of Australia alone excepted.

6. For surrender of Policies for the term of life, effected at uniform rates, and which have been three years in force, a return of forty per cent. of the ordinary premiums received will be at any time allowed, and that, in the case of participating Policies, in addition to the value of vested Bonuses thereon.

FIRE DEPARTMENT.

Common, Hazardous, and Doubly Hazardous Risks are undertaken at the usual rates of 1s. 6d., 2s. 6d., and 4s. 6d. per cent. respectively. Special insurances at increased rates.

years, to be afterwards correspondingly reduced for the remainder of life; or, by beginning with a low
Premium, to be increased when the expectation of greater means may be realised; or, two-thirds only
of the Premium may be paid, allowing the remaining one-third to be a charge upon the Policy until its expiration, to be then deducted unless previously paid up.
